Don't hit me while I'm napping, you unfathomable butt!
*BAP!*
Ow! It wasn't me! He must've done it!

I'd be more apt to compulsively cuddle him to death than to suspect him of any wrongdoing!

For real, though.

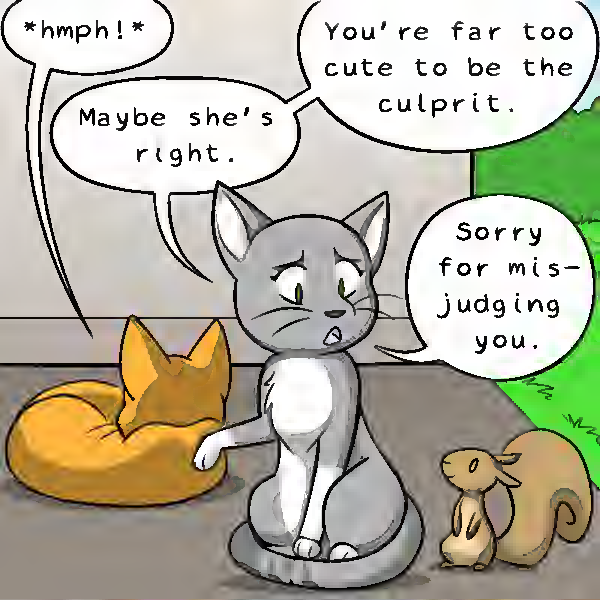
And then I'd hafta off myself for killing something so guileless and pure!

But not before murdering you for standing idly by while such a heinous act occurred!



*hmph!*
